

Breast Cancer Walk

Sunday, September 30

10:00 A.M.
Frontier Field, Rochester

Statistically, 1 of 8 American women will be a victim of breast cancer. Every dollar collected by those of us who walk on September 30 will support services for breast cancer patients and breast cancer research and outreach for early detection.

Join us!

Walk! Call Mary Barnum (546 2681) and we will send you a form to sign up sponsors. RTA buys RTA walk shirts for all RTA members, active or retired, who participate in the walk. Tell Mary your size and we will order a shirt for you. The deadline for shirt orders is August 30 .

Sponsor! If you can't walk, help defeat this terrible disease by sponsoring a walker! Your contribution of 5 or 10 dollars adds up to victories such as the vaccine for cervical cancer.

Get a checkup! Encourage the women in your life to have regular mammograms and do monthly self breast exams.
